Federally insured by NCUA. Membership required. 1: Message and data rates may apply. 2: Preapproval is not a commitment to lend. 3: Transactions typically occur in minutes when the recipient's email address or U.S. mobile number is already enrolled with Zelle. Must have a bank account in the U.S. to use Zelle. In order to send payment requests or split payment requests to a U.S. mobile number, the mobile number must already be enrolled with Zelle. Zelle and the Zelle related marks are wholly owned by Early Warning Services, LLC and are used herein under license. Landline numbers, Google Voice™ numbers, and Voice over Internet Protocol (VoIP) numbers may not be used to enroll in Zelle. 4: When you place a lock on your debit card via Mobile Banking, it will prevent most types of card transactions from being processed until you take action to unlock your card. However, the lock may not stop card transactions presented as a new recurring transaction by the merchant or the posting of refunds, reversals or credit adjustments to your account. Additionally, transactions and authorizations that occurred prior to locking the card will not be affected. During card processor limited down time, purchases may be approved due to the lock restriction not being enforced by the stand in processor. This feature is available on the Mobile Banking app for iPad, iPhone and Android devices. Data connection required. Locking your card is not a replacement for reporting your card lost or stolen. Contact us immediately at 1-800-314-3828 if you believe that unauthorized transactions have been made. Alerts may be sent to you in the form of an e-mail or text message. Your mobile carrier's standard text-messaging and data rates will apply. 5: The credit score provided is intended to help you understand the factors that affect your credit score, and ways you may be able to save money with Credit Union of Texas loan products. The credit score found in the credit report may be different than the credit score you see here. 6: For credit/debit card fraud only.
